## NRI QUOTA MBBS ADMISSION

**NRI Quota MBBS admission** - Popular medical courses like MBBS, BDS and other UG level courses as a career is demanding among the students after 12th study and to pursue their medical education they have to crack NEET entrance exam. NTA NEET exam, medical education rules, policies are managed and authorized by the National Medical Commission of India (NMC).

These medical seats for admission are majorly divided in All India quota and State quota, where 15% of seats belong to All India Quota and 85% to State Quota. (For Indian Resident Students) Apart from All India Quota and State Quota, there is also a 15% reserved special quota for NRI (non-Indian residential) called as NRI Quota. NRI Quota specially reserved by NMC for the students who live/study outside India but originally belong to the country.
