## PUBLIC NOTICE

Date: 25 June 2026

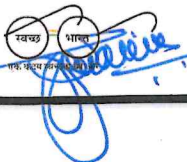

**Subject: Final Opportunity for Confirmation, Correction or Updation of Bank Account Details for Refund of Examination Fee of NEET (UG) 2026 (Examination held on 03 May 2026).**

1. The National Testing Agency (NTA) has successfully conducted the NEET (UG) 2026 Examination on **21 June 2026** across the country in a smooth and incident free manner. Approximately **20 lakh candidates** appeared in the examination. NTA is currently working on finalisation of the results, which will be declared at the earliest.
2. As candidates are aware, NTA had committed to refund the examination fee paid by all candidates in view of the cancellation of the NEET (UG) 2026 examination held on **03 May 2026**. For this purpose, candidates were requested to furnish their bank account details on the dedicated NTA portal so that the refund amount could be credited directly to their accounts.
3. When representations were received regarding incorrect entries of bank account numbers and IFSC codes by some candidates, NTA reopened the window for correction of bank details at the time of downloading of Admit Cards, so that candidates could update or correct their details while downloading their Admit Cards.
4. NTA acknowledges that, since the said window was made available in the days immediately preceding the examination, the priority of most candidates at that point of time was downloading the Admit Card. While approximately **19 lakh candidates** have already updated and confirmed their bank account details, a small number of candidates could not complete the updation of bank details in the process. NTA has also received representations from some candidates who had earlier opted for "**No Refund**" and now wish to revise their option.
5. With a view to ensure that **no candidate is inconvenienced** and that every eligible candidate has a fair chance to receive the refund, NTA has decided to provide **one final opportunity** to all candidates to view, confirm, correct or update their bank account details on the NTA portal.

### **What candidates will see on the portal**

6. On logging in, candidates will be presented with the bank account details already submitted by them. Candidates may proceed in any one of the following ways:

- **If the details displayed are correct:** the candidate may simply tick the checkbox provided on the screen confirming that the Bank Account Number and IFSC Code displayed are correct and that they wish to receive the refund in the said account.
